- September 12th
- October 10<sup>th</sup>

(We're using the 3<sup>rd</sup> Saturdays of April thru August, but the 2<sup>nd</sup> Saturdays in September and October.)

## KEY REMINDERS:

- Vendors will be responsible for everything they need, such as canopy, chair(s), table, etc.
- There will be no refunds issued this year! The church will be paid for every event date.
  - ✓ If weather calls off an event, we will give you a raincheck credit that **MUST** be used by our last event of the season.
  - ✓ Let us know if you find a replacement person for your space, should you not be able to go through with a date you paid for. We will just need a signed contract from them, and we'll help you get it.
- Spaces are not “held” for you until we have both your signed contract and Venmo payment for the date(s) you're requesting.
- Specific spaces are assigned as vendors check-in. The sooner you get there, the closer you'll be assigned to being closest to the shopper parking lot.
- Vendors **MUST** park in the designated section of the lot after unloading! We will show you where that is when you check-in.
  - ✓ Helpers who stay with you past 8am must park within the community to the south, or in the King Soopers lot. We want to keep ALL of 22<sup>nd</sup> Street as well as the smaller church lot for shoppers.
- Vendor Check-in will be from 6am thru 8am. NO vendors will be permitted to check-in after 8am. **NO EXCEPTIONS!** Make sure you leave with enough time!
- Selling will run from 9am through 2pm. Vehicles may NOT be moved to your sales spaces until 2pm.
