

Finders Keepers Booth Payment Instructions

Simply scan the QR Code below and follow the directions. When it comes to the part where it asks for a 4-digit code, simply “**SKIP**” it! There is an option that should allow you to skip that part.

PLEASE REMEMBER TO GIVE US THE FOLLOWING IN THE COMMENTS BOX OF YOUR PAYMENT =

- Full First and last name, or business name.
- Your email address (in case we need to reach out regarding any issues.)

- General description of what you plan on selling
 - We need to know where to assign you in the lot, based on used goods, new goods, or a combination of goods.
- How many 16’ X 19’ booth spaces do you need.
- The date of the event you are paying for.
- **OPTIONAL:** If you’re paying for an event or more for a second time, please let us know in the comments box. That way we’ll know whether or not we are waiting for a signed contract, too. Only one contract is needed for the season.

REMEMBER to pay by the Saturday before your desired event date, or we’ll need a \$5 late fee added per booth requested!
